Adopted: 10/13/2021

## Adult/Continuing Education

The Board recognizes that education is a lifelong process. Therefore, the Board of Education shall establish and maintain a program of adult education classes. The adult education program shall be open to all residents age 16 or over, not attending any public or private elementary, middle or senior high school. The program shall offer a variety of subjects to serve civic, cultural, vocational, and avocational needs of the community. Course offerings shall be determined by responses to courses previously given and by newly arising needs and interests, subject to limitations of the plan, personnel, and equipment.

Classes shall be made available at fees to be established by the Board of Education. No tuition shall be charged for residents who enroll in adult classes for elementary and high school completion, Americanization and United States citizenship, and English for adults with limited English proficiency. Other courses may be given only when the number of interested adults is sufficient to form a class of proper size, and when a qualified teacher, adequate facilities, and appropriate supervision can be made available.
